

A deep-field astronomical image showing a dense field of galaxies. The image is oriented with North (N) at the top right, indicated by an orange arrow. A red circle with a crosshair marks a specific galaxy at approximately (0, 0) in the coordinate system. A blue square highlights a cluster of galaxies in the upper right quadrant, around (-10, 22). The axes are labeled 'Arc Seconds' and range from -30 to 30.
