

A false-color astronomical image showing a dense field of stars and interstellar dust. The image is oriented with North (N) and East (E) indicated by orange arrows in the upper right. The axes are labeled 'Arc Seconds' and range from -30 to 30. A bright, cyan-colored star is visible in the upper left. A yellow star is circled in red in the center, with a red crosshair marking its position. The background is filled with numerous smaller stars and dust clouds in various colors, including blue, green, and yellow.
