

Figure 1 is a color-coded astronomical image showing the field around NGC 244. The image displays various celestial objects, including a large red nebula at the bottom center, a bright cyan object at the top left, and several other stars and galaxies. A dashed yellow line traces a path across the image, and a dashed yellow oval highlights a region in the lower left. Orientation is indicated by 'N' (North) and 'E' (East) arrows in the upper right.
