

A false-color astronomical image showing a dense field of stars and interstellar dust. The image is oriented with North (N) and East (E) indicated by a red arrow in the upper right. The axes are labeled 'Arc Seconds' and range from -30 to 30. A red circle with a crosshair marks a specific location at approximately (0, 0). The image shows a complex pattern of stars and dust, with a prominent bright star in the upper right and a cluster of stars in the lower right.
