

This astronomical image shows a field of galaxies. The horizontal axis is labeled 'Arc Seconds' and ranges from 30 to -30. The vertical axis is also labeled 'Arc Seconds' and ranges from -30 to 30. A large, bright, irregularly shaped galaxy is located on the left side of the image, centered around (20, 0). A red circle with a red crosshair is centered at approximately (0, 0). In the upper right corner, there are orange arrows pointing North (N) and East (E), indicating the orientation of the image. The background is dark with numerous small, distant galaxies visible.
