

Figure 1 is a grayscale astronomical image showing a field of stars. A grid of red crosses marks 48 numbered sources. The axes are labeled 'DECLINATION' (y-axis, 01°15' to 45') and 'RIGHT ASCENSION' (x-axis, 09h01m15s to 08h59m15s). The sources are numbered 1 through 48, with some numbers appearing in red and others in black. The background is a noisy grayscale image of the star field.
