

Figure 1 is a false-color image of the field of view of the Wide-field-of-view Survey Telescope (WFSST) in the direction of the star HD 161412. The image shows a dense field of stars and galaxies. A red circle marks the position of the star HD 161412. A red crosshair marks the position of the star HD 161412. A red arrow points to the star HD 161412. The axes are labeled 'Arc Seconds' and range from -30 to 30.
