

A false-color astronomical image showing a dense field of stars and interstellar dust. The image is centered on a bright, blue-white star, which is circled in red and marked with a red crosshair. To the right of this star, there is a bright, blue-white nebula. The background is filled with a complex pattern of blue, green, and red, representing different wavelengths of light. The axes are labeled 'Arc Seconds' and range from -30 to 30.
