

A false-color astronomical image showing a dense field of stars. The horizontal axis is labeled 'Arc Seconds' and ranges from 30 to -30. The vertical axis is also labeled 'Arc Seconds' and ranges from -30 to 30. A red circle with a crosshair marks a central source. A bright yellow-white source is visible at approximately (-12, -22). In the upper right, orange arrows labeled 'E' and 'N' indicate East and North directions.
