Figure 10 displays four heatmaps showing the distribution of the number of iterations for different values of  $\alpha$ . The heatmaps are arranged in a 2x2 grid. The top row shows  $\alpha = 0.001$  and  $\alpha = 0.005$ , and the bottom row shows  $\alpha = 0.01$  and  $\alpha = 0.05$ . Each heatmap has a color bar on the right indicating the number of iterations, with values ranging from  $4.02E+00$  to  $7.63E+00$ .
